

Empower Your Employees with Employee Self-Service

Offer convenience, get accountability

Employees get convenience, employers get accountability. Allow employees to view and approve time cards, request time off, check schedule, view paid time-off balances and more!

✓ Benefits of ESS include:

- Automate employee time card approvals online
- Automate employee leave requests and approvals
- Display paid time off accrual balances
- Enable authorized employees to self-manage time cards online
- Limit self-service features by employee
- Share announcements to a specific group of employees
- Communicate total hours worked, missing punches, time-off requests, and time card notes
